\* **Additional lens options are available. See the EyeMed materials for the options and cost.** Vision insurance is provided on a group plan basis. If you select this coverage, it must remain in force the entire year unless you have an eligible life event as defined by the IRS.

The following example compares industry average costs for a pair of glasses with and without vision coverage, based on an eye exam and purchase of a \$130 frame with single vision and transitional lenses with anti-reflective coating. Actual costs may vary.

Example with Plan One		
Services	With VSP	Without Insurance You pay \$144
Exam	You pay \$10	You pay \$144
Frame	You pay \$56	You pay \$130
Basic Restorative Services	\$62 transitional lenses + 61 anti-reflecting coating (single lenses covered under materials copay) You pay \$123	\$86 single lenses + \$99 transitional lenses + \$107 anti-reflecting coating You pay \$292
Major Restorative Services	\$189	\$566

# Vision Benefits

## Need retail options?

What we love most about our retailer providers, is that most offer evening and weekend hours for extended service for members. People are busy – we get it! That’s why we provide vision benefits that are easy to use, flexible and convenient. Not only do we have a broad network of independent providers, we also offer 5 of the top 10 most admired national retail chains as in-network options, including:

Want more? Check out the participating INSIGHT retailers below:

Eye Boutique	Optical NEI Inc.	Wisconsin Vision
Eyecarecenter OD	OPTYX	
Eyeglass World	Ossip Optometry	

Retail providers are conveniently located in or nearby major shopping centers and offer longer hours on nights and weekends. Many even have on-site labs so members can get their glasses in about an hour or during the same day. But there are a couple more things you should know about retailers. Unlike competitors, EyeMed defines retail providers as practices with 20 or more locations. And with EyeMed, what you see is what you get! All participating retail providers are considered in-network.

Members may locate a provider using the provider locator function on our website at [eyemed.com](http://eyemed.com) or by calling 1-866-9EYEMED.
